

BL ENTERPRISES

Reliable Components. Smarter Control.

POWER METERS

ACCURATE MEASUREMENT. SMARTER ENERGY MANAGEMENT.

High performance power meters for precise monitoring, energy management and system efficiency. Reliable solutions for industrial, commercial and utility applications.

HIGH ACCURACY
Precise and reliable measurements

ENERGY MANAGEMENT
Monitor, analyze and optimize energy usage

EASY INTEGRATION
Multiple communication and I/O options

QUALITY ASSURED
Built to last with superior reliability

OUR POWER METER RANGE

MULTI-CIRCUIT POWER METER

- Multi-circuit energy monitoring
- 3-phase 4-wire measurement
- True RMS measurement
- Modbus RTU communication
- Data logging & alarm
- Compact & easy installation

IDEAL FOR
Panel Builders & Energy Monitoring Applications

MULTIFUNCTION METER

- 3-phase electrical parameters
- kWh, kVAh, kVAh measurement
- Voltage, Current, Power, PF, Frequency, kWh, kVAh, THD
- Bright LED display
- Compact panel mount design

IDEAL FOR
Industrial & Commercial Power Monitoring

POWER METER

- Industrial grade power meter
- Energy, Voltage, Current, Power, PF measurement
- Multiple I/O & communication options
- BACnet, Modbus TCP/IP
- DIN rail / Wall mount

IDEAL FOR
BMS, SCADA & Energy Management Systems

NETWORKED ENERGY METER

- Revenue grade energy meter
- Accuracy Class 0.2S
- kWh, kVAh, kVAh measurement
- Remote reading & monitoring
- Tamper detection & events
- AMI / Smart grid ready

IDEAL FOR
Utilities & Smart Grid Applications

MORE MODELS AVAILABLE

- Wide range of panel meters
- Custom solutions available
- Get in touch with us for your requirements

IDEAL FOR
Custom Projects & Special Applications

APPLICATIONS

INDUSTRIAL AUTOMATION

COMMERCIAL BUILDINGS

ENERGY MANAGEMENT SYSTEMS

RENEWABLE ENERGY SYSTEMS

PROCESS INDUSTRY

POWER DISTRIBUTION & UTILITIES

DATA CENTERS

YOUR TRUSTED PARTNER IN POWER MEASUREMENT SOLUTIONS

Quality Products | Competitive Pricing | On-time Delivery
Technical Support | Reliable Service
